Sarvodaya SR. SEC. School

CBSE percentage:89.8%

Kota, Rajasthan

Jul 2020

## Projects

---

### Portfolio Website

- Designed a dynamic Portfolio Website. It included my information such as projects, education, contact information. It contains an interactive form where you can share your details and contact me. Through Wamp server it is connected to the database where I can access the form details filled by the user.
- Technologies - [ HTML, CSS, JavaScript].
- [Live link](#)

### Expense Tracker

- Designed and developed an intuitive expense tracking application, enabling users to log, categorize, and analyze their spending with 100% real-time updates. Enhanced financial management by providing insights on expense trends, leading to up to 40% improved budgeting efficiency.
- Technologies - [HTML , CSS, JavaScript, Data Visualisation using chart.js ].
- [Live link](#)

### DSA Problem Solver

(Ongoing project)

- Developing an interactive platform to streamline the solving of Data Structures and Algorithms (DSA) problems, enhancing problem-solving efficiency by 30%. Implementing features like real-time code execution, test case validation, and categorized problem sets for structured learning.
- Technologies - [C++, Java, .DSA ].

## Experience

---

- Core Member in Social Media Team at Blockchain Club, VIT Bhopal.
- Team lead at Evoastra Ventures ( Data Science Internship)

## Certifications

---

- Online Course Bits and Bytes (Coursera)-Dec(2023) Networking.
- Certified for Python Essentials(May-2023)(Vit Bhopal)
- Certified for Responsive Web Design (FreeCodeCamp)
- Certified for Cloud Computing (NPTEL)
- Certified for Data Visualization with Power BI (Great Learning)
- Certified for AWS Cloud Practitioner
